Estts Forests- Sri D.S. Srivasa Murthy Chief Forest Officer, Sandur Grant of leave and compensation Rules passed

From

The Chief Secretary to Govt.
Fort St. George, Madras.

Ref.No. 1746/50 S1 dated 6-2-50.

Sir,

Sub: Srinivasamurthy (Sri L) Chief Forest Officer, Sandur Discharge from Service - grant of leave etc. - orders requested.

Ref: G.O.Ms.No. 9 Development Department dated 3.1.50.

1) In pursuance of the orders issued in the G.O. cited above, the Chief Conservator of Forests Madras, has appointed a Forest Ranger in place of Sri L. Srinivasamurthy the Chief Forest Officer, Sandur, who is to be retired.

2) Sri L. Srinivasa murthy has on 1.1.50 two months and twentyseven days privilege leave to his credit, after deducting the periods of leave taken by him during his service, according the rules in force in Sandur. He applied to me for grant of leave twice during the year 1948-49, and as the hay operations were under taken, his services could not be spared on both the occasions. Following precedents in the State I have ordered that he would be given leave to his credit, after the Forest Department takes over the Sandur forests, when his services will be no longer required by the Government. In fact, he was looking after the hay operations as well as the Sandalwood operations and actively assisting the Special Officer Sandur in the work connected with the forests. Hence he was not granted leave previously, purely on grounds of administrative necessity.

3) Consequent on the posting of a forest ranger in Sandur, Sri Srinivasamurthi requested me to grant him the leave to his credit as promised previously. I have therefore issued orders in consultation with the Chief Conservator of Forests, Madras granting him two months leave from the date of relief by the Forest Ranger, on full average pay, and directed the Special Officer Sandur to discharge him from service on the expiry of the leave period. I request that my action in having granted him leave from date of relief may be ratified.

4) Sri Srinivasa murthy also requests that he may be granted suitable compensation for the services rendered by him to the State of Sandur. In this connection I submit that he has put in a service of about four years and four months in the Sandur State and has also been useful to the present administration. Compensation as contemplated in G.O.Ms.No. 855 Public (Political) department dated 26.3.49 is payable to such of the Government servants who would as lose their carreer by premature discharge from service. But Mr. Srinivasamurthy being a superannuated Mysore Government pensioner has no career to lose, expept that he would have been continued in service of the Sandur State but for the merger. I however consider, that his good service to the state for over four years should not go unrewarded, specially because, the Ruler would have recognised his services, had it not been for merger. I therefore recommend that his case may be given special consideration, and a compensation of four months' salary (one month for each year of service) may be sanctioned to him. I consider that such a course is desirable so that the servants of the State may not feel that merger has brought on them nothing. I request orders in the matter.

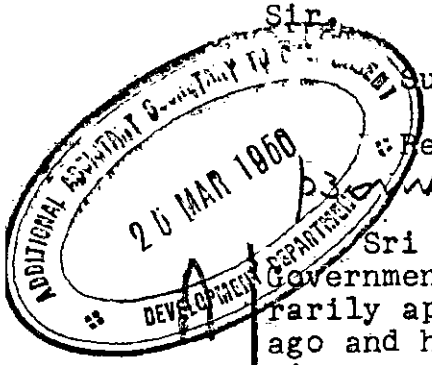
Sir,



Sub: Establishment - Sri L.Srinivasamurthi, Chief Forest Officer, Sandur - Grant of leave and compensation.
Ref: Government Memo.No.13954C1/50-2 Development dated 21-2-1950.

Sri L.Srinivasamurti is a superannuated officer of the Mysore Government Forest Department, and is 59 years old. He was temporarily appointed in Sandur State prior to its merger some four years ago and his appointment contained no condition that he should be given previous notice of discharge. The State was merged with effect from 1-4-1949. However under the orders issued in G.O.MS. No.5056 Development, dated 14-10-1949 he was retained in service for a further period of one year from 1-7-1949 or till the necessity ceases whichever is earlier.

2. The question of his discharge arose when the Collector of Bellary strongly recommended that he should be provided with a jeep to move about quickly and constantly for the purpose of supervising the Sandalwood extraction works. In Government Memo. No.96238 CII/49-4 dated 4-12-1949 Government enquired why a suitable

13 (B)

substitute of the Madras Forest Department cannot be placed in charge of the Forests in Sandur forthwith and the superannuated officer relieved. On my report Government in G.O. MS.No.9 Development dated 3-1-1950 ordered that a suitable Forest Ranger should be posted immediately and the present superannuated Chief Forest Officer relieved. Accordingly a suitable Ranger was posted and the Collector of Bellary was requested to grant leave for two months for which he was eligible under the State Rules to Sri L.Srinivasamurthi from date of relief and to serve him with a notice that he will be discharged with effect from the date of expiry of the leave. He was relieved on 9-2-1950.

3. Under G.O.MS.No.855 Public (Political) dated 26-3-1949 compensation may be awarded for loss of career but it can by no means be stated that a superannuated person of 59 years has lost career. Further in Government Memo.Public (Political) dated 2-2-1950 to the Board of Revenue communicated in Government endorsement No.13001 C1/50-1 Development dated 17-2-1950 the ruling of the Government of India has been given that the question of compensation for loss of career arises only in the case of permanent employees of the States who are rendered surplus to requirements as a result of the merger. This ruling disposed off finally the case of Sri Srinivasamurthi who was only a temporary employee.

4. I am therefore unable to agree with the recommendation of the Collector of Bellary.

Memo. to C.C.F. No. 13954 CI/50-2 d/ 21.2.50.
From the C.C.F. No. 2948/50-B2 d/ 24.3.50.

In G.O.Ms. 855, Pub (Pol) d/ 26.3.49, the Govt. have laid down the principles to be observed while absorbing employees of the States which have merged with the Madras State. Under these principles, a State employees who is to be discharged from service for one reason or other as a result of the reorganisation of the Dept. should be paid compensation for loss of career. The Govt. of India have given the ruling that the question of loss of career arises only in the case of permanent employees of the State who are rendered surplus to requirements as a result of merger of States.

2 Attention is now in invited to the letter from the Collector of Bellary on p.1 c.f. and the remarks of the C.C.F. thereon on pp.5-6 c.f.

3 Sri L. Srinivasa Murthi, a superannuated officer of the Mysore Govt. Forest Dept. was appointed as Chief Forest Officer, Sandur prior to its merger with the Madras State. He has put in a service of about 4 years and 4 months in the erstwhile Sandur State. In G.O.Ms. 9 management Dev., d/ 3.1.50, a post of Ranger was sanctioned for the of the forests in the merged area of Sandur and the C.C.F. was asked to post a suitable Ranger to this post and to relieve the superannuated Chief Forest Officer, Sri L. Srinivasa Murthy. The Officer was relieved on 9.2.1950.

4 The Collector of Bellary has now reported that on 1.1.50, Sri L. Srinivasa Murthi had 2 months and 27 days privelege leave to his credit, that he applied to him (the Collector) for the grant of leave twice during 1948_49, that he was not granted

~~the~~

the leave as hay operations were undertaken during that period, that Sri Srinivasa Murthy was informed that he would be granted the leave after the Forest Dept. ~~takes~~ took over the Sandur Forests, that consequent on the posting of a Ranger for Sandur Forests, Sri Srinivasa Murthy has again applied for leave and that ~~the Collector~~ he has, therefore, granted him two months leave on full average pay from the date of relief by the Ranger and has directed the Special Officer, Sandur to discharge him after the expiry of leave. The Collr. has requested that his action may be ~~not ratified~~ ratified. For orders whether the Collector's action will be approved.

5 Attention is also invited to para 4 of the Bellary Collector's letter on p.1 c.f. The Collector has stated that Sri L. Srinivasa Murthy has requested that he may be granted suitable compensation for the services rendered by him to the State of Sandur, and has recommended that Sri Srinivasa Murthy may be paid a compensation of four months' salary as a special case. The C.C.F. has stated that it can by no means be stated that a superannuated person of 59 years has lost ~~some~~ career to merit compensation, that under the orders mentioned at "A" on p.1 above, the question of loss of career and payment of compensation arises only in the case of permanent employees of the States, that Sri L. Srinivasa Murthi was only a temporary employee and that he is therefore unable to agree with the recommendation of the Collector of Bellary.

In the circumstances it is for orders whether the Collector's recommendation will be negatived. Public (Pol) and Finance may see for remarks.
